

The Albyn Foundation is a registered charitable company that has been established to raise funds for pupils at Albyn School. We are seeking to make the School a better place for its pupils and to widen access to the School.

If you donate your registration fee to the Albyn Foundation, your support will help us to offer places to those families who might not be able to send their children to the School. The monies raised will also help to finance the best possible facilities for Albyn School's pupils.

The Albyn Foundation is currently raising funds in order to:

- Enhance the School's Redevelopment Project.
- Provide free places or substantive fee reductions for able pupils in the Upper (Senior) School for families who could not otherwise afford the fees.
- Help pupils complete their education at Albyn should families experience unexpected financial hardship.

We want Albyn to become a better place for your children to learn and play. We believe that your children deserve the best. With your support, we can achieve that vision.
