Intermediate 1 English	Jane Cooper and Annie Rayner	Hodder Gibson	9780340914731	£13.99

There are two versions of this textbook. There is little obvious difference in the appearance of the two covers, one merely states in fairly small print that the text is with answers. For assessment purposes it is essential that pupils purchase the edition **without answers**. Please check which version you are buying before purchase.

Poems and individual short stories will be issued by the department as required.

Past Paper Book available in department during October.
