Dear Parents

Karate Club – Gradings for Belts

The Karate Club has been very popular with all the children who attend and Mr Watt has informed me that they have continued to make great progress this term.

He would like to “Grade” them which means each child would be awarded a certificate and belt in the colour of the level they have attained.

The Grading will take place on Wednesday 25 November in the Gym during their usual sessions.

After the Grading session on Wednesday 25 November, each child will receive their certificate, their licence book and their belt the following week on Wednesday 2 December.

There is a charge for the Grading which is £20.00 per child. This covers the cost of the licence to the Karate Federation, the licence book, belt and certificate.

If your child already has a licence, it may be updated on Wednesday 25 November.

Please send a cheque for £20.00, made payable to “Ronnie Watt” and give it to either Mr or Mrs Watt.

There will be a Karate session on Wednesday 2 December where they will also be presented with their new belts and certificates.

Thank you.

Yours sincerely

Mrs Karen B. Thomson
